

Lead Lion's Head English Fountain with Triple Panel Rectangular Basin

A powerful Lion's Head in combination with our English motif in three panels is an elegant fountain for any home or estate. This fountain is made of hand cast English Lead and provides a lot of water sound. It's recirculating property makes it perfect for any intimate garden or out in the plantings, all you need is a water source.

Pictured Measurements: 59" Wide x 20" Deep x 59" High, 31" Front Panel Height
