

## **Lead 3 Spout Grid Wall Fountain**

This unique and elegant design is simplicity itself constructed out of hand cast English Lead.

The three spouts provide vivid water sounds. And the recirculating fountain can be a wall fountain or be placed in and amongst the plantings, all you need is a water source.

Customizable in various sizes.

Pictured measurements: 60" Wide x 20.4" Deep x 43" Overall Height, 23.5" Front Panel Height
